Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: My Compounded Compounded
medications have relieved symptoms of
depression, sleeplessness and others
since having total hysterectomy in 1990.
I am unable to take other HRT
prescriptions from regular pharmacies due
to liver problems where special
Compounded script does not affect my
liver.
